

CATALOGUE OF PRODUCT

KONTI is a Ukrainian confectionery brand with nearly 28 years of on the market.

The brand's products combine craftsmanship traditions with modern technologies. We create products that are chosen for consistent quality, recognizable taste, and consumer trust.

In 2026, **KONTI** launches a new brand **SvitKonti** - a space of beloved, already familiar products with proven quality and a strong track record. It brings together the best of **KONTI**'s expertise in a new, unified brand format.

SvitKonti offers a broad assortment across key categories: **desserts, fondant and combined candies, toffee, truffle, wafer candies, biscuits, and sandwich biscuits, sponge cakes, and swiss rolls.** The range is designed for different consumption occasions - from everyday purchases to sharing and gifting.

SvitKonti products are manufactured at modern production facilities equipped with **European production lines and systematic quality control system.** The sites operate in compliance with international standards such as **HACCP** and **ISO**, ensuring food safety, consistency, and predictable quality in every batch.

We have extensive export experience and open to partnership. We provide reliable service: coordinated planning, predictable supply, flexible formats, and marketing support. **SvitKonti** is ready to grow together with you - strengthening the category and building consumer loyalty in every market.
